Spark Ventures is a Chicago-based nonprofit that invests in sustainable solutions to empower under-resourced communities around the world. What began with a trip to Zambia in 2006 grew into a lasting partnership - and ultimately into the organization we are today. We now invest in four partner organizations across four countries: Hope Community School in Zambia, Las Tías in Nicaragua, Entreamigos in Mexico, and We Grow Chicago in the United States. Through these partnerships, we direct both human and financial resources into comprehensive programming focused on education, nutrition, healthcare, job creation, business development, and environmental stewardship. As Spark continues to grow, we remain deeply committed to investing in our partners as they create lasting change and foster equitable communities where individuals can achieve their full potential.

# WHY PARTNER WITH SPARK VENTURES?

## Drive Social Impact

Support a powerful mission by investing in innovative and sustainable solutions in education, nutrition, healthcare, job creation, business development, and environmental stewardship.

## Access & Affiliation

Spark Ventures has gained a reputation for energetic, unique, and well-attended events. Connect with a community of socially-minded consumers, global thinkers, and leaders who represent the financial, legal, consulting, entrepreneurial, and philanthropic spaces.

## Increase Brand Awareness

Promote your brand and services to individuals, socially-minded consumers, and supporters across Chicago and Spark Ventures' national network.
